Div II - Div III

- Div III committee - really important
- IRB - asking for people for help; from others;
- Funding or money, getting in touch with faculty re funding - CORC listing of grants,
- polling funds
- start early
- resource - Carla Costa, creativity center
- work with someone who is tough and honest
- accept of harsh criticism
- Div III committee - member, don't limit to content area, if can't find perfect person, find someone who knows you and can support you, mix of members
- don't take it too seriously - it's a learning process, failures throughout give you lots to write about
- to feel challenged
- keep a journal, can see the process
- do not judge yourself by comparing yourself to others, all Div III's are different
- just do something
- having you committee being hard on you - tough love - but know what you want to do and get out of it
- Div III shouldn't be your life - it's your last year at hampshire
- find a friend, a roommate, someone who knows you
- ghost advisor -
- next level peer mentoring - find someone who did something kinda similar in the Lib and contact them - can you take their work further
- time off btw Div II and Div III - was tough to come back and have very different ideas
- Spring Fall version of Div III - less of community
- summer to think about things

workshop on getting funding
