

## TimZim Group Meeting Agenda - March 30, 2016

### Important Dates reminders

- pre-reg April 4-25
- field study deadline April 8
- Div 3 progress reports for Fall '16 - April 22

### Funding

- talk about CS funding
- ask others to tell about how they found funding
  -
- create our own google doc list?

### Div II

- draft portfolios to me
- Div III request process (faculty have until April 8 - should know soon after)
- know that I have 13 requests and I can only take 6
- Div II pass meeting - can happen now, but likely in the Fall
  - over summer, pull things together
  - take time to work on your retro
  - be sure to talk about how this has led to questions that interest you for Div III
  - over summer, rewrite you Div II contract to reflect what you have done
- you'll file your Div III contract a week after Div II pass deadline so start drafting Div III contract now/over the summer - don't wait until Fall
- Advice from Div IIIs??
  - what literature
  - do Div II portfolio early
  - keep a journal
  - think about IRB
  - gather Div II documents now
  -
