

**HACU 241**  
**Fall 2009**  
**Draft Questionnaire**

Please take a few minutes to answer the following questions, and print a copy of the completed form for EACH of your reviewers. (In other words, your peer reviewer and Michele.) Your answers should be brief but informative.

Name:

Email:

1. How much more time do you expect to spend on this essay before handing in the final version? Do you expect to do further research or write additional sections?
2. What were the main difficulties you encountered in completing this draft? Is the draft as complete as you wanted it to be?
3. What discoveries did you make, if any, while you were preparing for and writing this draft (in relation to the project, in relation to your sense of yourself as a writer, etc.)?
4. What do you consider to be the main strength(s) of this paper? Be specific, citing page numbers if possible.
5. What do you consider to be the main weakness(es) of this paper?
6. Are there any aspects of your writing that you would like your reviewer to focus on when s/he reads this draft (argument, organization, evidence, style, grammar, etc.)?
